

# Experience Ghost Ranch

Please join us if you can, in a most magical place, **Ghost Ranch**, New Mexico, the one time home of Georgia O'Keefe, to practice and pursue the perennial issues of painting, or relax in the presence of the Ranch.

Ghost Ranch is located just over an hour from Santa Fe near the village of Abiquiu on Hwy 84. For those of you who are flying, Albuquerque and Santa Fe are the nearest airports. Generally the weather in the Fall is glorious, but we can experience both hot and cold temperatures. There will be an indoor studio space and we will take advantage to study the issues, paint together and participate in critiques. For those not painting, the Ranch offers hiking, horseback riding, tours and more.

**Fees: \$1,850.00** per person which includes room and board, double occupancy.

**Private rooms** available. For singles (includes tuition) or couples (tuition not included). **\$2,500.00**.

**Painting with Bill and Cecilia: (4 days, 1 studio/free day)**

**Accommodations** are basic but nice in the newer adobe mesa rooms. Meals will be served three times per day, offering traditional and vegetarian options.
